Ronald Reagan

at the Dixon Public Library

As is befitting for the public library where Ronald Reagan was himself a member, the Dixon Public Library is proud of its extensive collection of books about the 40th President.

Our Reagan Collection can be found online using this link: https://tinyurl.com/dplreagancollection. Click on the link and you will be taken to a listing of all of our Reagan items in our online catalog.

On the following pages is a list of over 360 items and 260 distinct titles that the library holds on Reagan. We hope that you find this list useful. We will keep it up to date, as we add new titles. If you have any questions or suggestions for specific items we might add to this collection, please address those to the Director of the Dixon Public Library, Antony Deter.

A quick note on Locations
The Reagan Collection Newspaper and RC Photograph box are kept in the vault, pamphlets are kept in magazine boxes at the adult desk, as is the Index Card box. Most of the books and DVDs are kept on the Reagan Collection shelves on the main floor of the library, although a few of the rarer items are kept in the vault. Items not on the shelves may be requested, but may take a few minutes to retrieve and may only be used in the library.
