**Dixon, IL** – The Illinois Department of Transportation announces that starting today, May 15, 2017 crews are in the process of painting centerline and edgeline markings on state maintained roads throughout District 2, which includes Boone, Carroll, Henry, Jo Daviess, Lee, Ogle, Rock Island, Stephenson, Whiteside, and Winnebago Counties. This will continue through late fall.

We ask that you use caution when traveling in the vicinity of the paint machines. It is important to obey the signs and avoid driving on the newly painted lines. We use environmentally-friendly paint; however, it is fast drying, permanent, and is difficult to remove from car finishes.

Please slow down and use extreme caution while driving through all work zones.
