

# CONSUMER SAVINGS WITH SMART METERS

Wednesday, October 11, 2017

5:30 - 7:30 PM

Dixon Public Library  
221 S Hennepin Ave.

Join Extension Educator Jay Solomon

## Smart Meters

5:30-6:15 pm

*Put that Smart Meter technology to work for YOU! Smart meter benefits are more than communicating usage and power outages. The consumer benefits are information and management options to save money and/or energy. Plan to join this discussion to learn more about:*

- How to access energy use information
- Track your energy use over time
- Approaches to proactively manage energy use and cost
- Access additional informational resources
- Comparing ComEd programs to find the best fit for you

*Program is free and open to the public  
Attend both programs or just come to one*

## Radon

6:15-7:30 pm

*Radon is a colorless, odorless radioactive gas that occurs naturally in the soil and enters homes and other buildings. Radon is the leading cause of lung cancer to non-smokers.*

- Learn what radon is
- How to test your home for radon
- How to reduce the level of radon in your home
- How to locate a professional for help

**Radon Kits available to  
purchase for \$10**

Please preregister online at [go.illinois.edu/SmartRadon](http://go.illinois.edu/SmartRadon)
