

**Become a part of
Dixon Public Library's
NEW
Coding Club!**

Youth in 4th and 5th grade are invited to join in on the fun Tuesday afternoons beginning January 8th and continuing through January 29th. No prior coding experience is necessary. Studies have shown the skills learned in coding help kids with creativity, problem solving, and logical thinking. Space is limited and spaces are filling up fast so call the library at 284-7261 Ext. 2 to reserve your spot.
