COUNCIL REPORTS

Mayor Arellano – Echoed City Manager’s comments. Very Cool to do what other communities have done, thank you to the public and business owners. His heart goes out to those involved everywhere. Glad to be part of Dixon, hurting for other parts of the world.

Councilman Considine – No comment other than fortunate and grateful to our community.

Councilman Marshall – None

Councilman Oros – So proud of our community, none of this has been easy. A lot of businesses are under financial distress, people have worked together with compassion and kindness trying to accommodate Phase 3. Everyone has been good to each other. Businesses have even shared to patronize other establishments and to support each other.

Councilman Venier – Be strong. Let’s get through all of this stuff. It was an interesting night as a jewelry owner. Proud of who we have working on our behalf.
