

DIXON PUBLIC LIBRARY

Summer Reading Program

This Week's Reading & Activity Challenge Choices Are:

- ✓ Since Independence Day is coming up soon, this challenge asks you to learn a few fun facts about the good ole' USA. Research three facts about the United States that you find interesting. You can use a book (we have many fun atlases at the library) or the internet. Here's an example about our home state of Illinois: " Illinois was the first state to ratify the 13th Amendment to the Constitution, abolishing slavery on February 1, 1865."
- ✓ Tune in on Tuesday for Dan Laib's art tutorial and stop in to show us what you created.
- ✓ Stop in and show us a picture of you completing this week's STEAM challenge or email it to kathleen.schaefer@dixonpubliclibrary.org.
- ✓ Participants who successfully complete one of the challenges will be eligible to enter a drawing for a Books On First gift card and earn five extra weekly drawing tickets..
