Preschool Storytime

This program is for children who are ready for longer stories and activities. We'll be sure to include practice with letters, numbers, colors, and shapes along with fun stories, games, and crafts. We welcome children ages 3-5 and their caregivers at 10:00 a.m. on Tuesday mornings beginning September 12th. No sign-up is required. Come join the fun!

Baby/Toddler Storytime

This program is for our youngest library patrons and takes place on Wednesday mornings at either 9:30 or 10:30 a.m. beginning September 13th. We'll share short stories, games, fingerplays, simple crafts, and the ever-popular parachute time. We welcome children ages 18 months-3 years of age and their caregivers to join us for this 30 to 45-minute gathering. No sign-up is required.

Coding Clubs

These groups meet twice per month beginning September 15th. Participants will have fun while learning basic computer coding skills. Groups are divided by age. We will also be offering a session earlier in the day that's convenient for homeschool families. Since space and equipment are limited, prior registration is required. Contact the youth library or visit our website for more information. You may sign-up by calling 815-284-7261, ext 2.
