VISITORS

Dave Bowers addressed the Council on Ordinance #2710 which was previously approved to request that a sentence be removed from Page 2 to allow a structure to be built on this vacated property. Attorney Branson stated this language is contained in all vacation ordinances due to if the City ever needs the property back and/or condemns it; there would be a structure on it. He further advised this ordinance could be amended if the consensus of the Council is to do so. Attorney Branson was then given the approval of the Council to amend Ord. #2710 at the next meeting to suit this particular situation.

Dennis Bulfer, 211 Monroe Avenue, approached the Council regarding congestion of traffic and a lack of a school bus stop sign at the corners of Highland and 2<sup>nd</sup> and Highland and 3<sup>rd</sup>. He advised these crosswalks need to be marked at all four corners. Mayor Burke advised that Main Street is currently marking corners now and this committee could include these crosswalks. Commissioner Contreras commented that Police Chief Langloss was currently looking at this situation. Chief Langloss then advised that the 2<sup>nd</sup>/Highland crosswalk is being done by next month and the other one in question will be looked at also but the department is down to one employee in Traffic Maintenance at this time. Mayor Burke lastly thanked Mr. Bulfer for being a good citizen.

PRESENTATION – AIRPORT PROJECTS  
CRAWFORD, MURPHY & TILLY, INC.

Ray Neisewander, 468 Timberland Drive, approached the Council on behalf of the Airport Board and stated he and other Airport Board members, Al Hill and Joey Frey, were in attendance tonight to support the presentation by Dan Pate, of Crawford, Murphy & Tilly.

Mr. Pate gave an overview of the Airport's past accomplishments and future projects and goals. He advised there will be a development of new GPS approach, a weather observation system, the possibility of a new runway #8-26, which would be 5500' x 100', dependent upon the acquisition of additional land, partial removal of the old runway, and then construction. He then stated this would require the funding of \$500,000 from the City. Mayor Burke then got confirmation from Mr. Pate that this is a recommendation being brought in front of the Council. Al Hill spoke and advised this project would show the Council what would be possible with 97% of it state and federal funded. Mr. Hill then advised the Board is trying to move the Dixon Airport into the next century with these updates, as well as bringing more businesses to the area. Commissioner Bridgeman then questioned if the land acquisition is included in the \$15 million figure. Mr. Pate advised yes. Commissioner Blackburn stated he has read their board minutes and asked if there is the certainty of the land acquisition. Mr. Hill stated the landowner wants the Board members to meet with her children. Lastly, Mayor Burke requested that the entire Council be provided with a packet of this presentation for their review.
