

AGREEMENT TO CONNECT TO THE WATER SYSTEM OF THE CITY OF DIXON

Name of Applicant _____ Date _____

I hereby make application of water service for the water main to the premises adjacent to the water main, to be supplied to and maintained by the property owner at

_____.
I hereby agree to furnish shut off valve and a valve box for said shut off valve and to maintain same in good order so that the water can be shut off at the curb line at any time. I hereby agree to install nothing but type K copper pipe, from the said water connection and main to stop box and plastic or K copper to the meter connection, thus preventing any steel pipe being installed between and said water main and meter.

I further agree to pay the Water Department of the City of Dixon for making the connection to the water main, the cost to be regulated by the Water Department in the accordance with prevailing cost of labor and materials at the time of installation or replacement.

I further agree to accept and abide by all provisions of the city code of the City of Dixon and of all other pertinent ordinances or regulation that may be adopted in the future, including but not limited to, the water billing rate provided for the Section 3-8-12 for the provisions of the property outside the city limits of the City of Dixon.

I further agree to petition of the City of Dixon for annexation, if said property is not already adjacent and contiguous to the City when the applicant's property in fact becomes adjacent and contiguous to the city.
